

RETIRED TEACHERS ORGANIZATION OF NOVA SCOTIA

VISION STATEMENT

The Retired Teachers Organization (RTO) of Nova Scotia will be recognized and acknowledged by its members, the Nova Scotia Teachers Union, the Government of Nova Scotia and the citizens of Nova Scotia as a respected leader in protecting and advocating for retired teachers and for a quality education for students in Nova Scotia.

The RTO will support members through its role as advocate and through programs and branch grants that provide for the needs articulated to the organization.

The RTO will keep members informed and will maintain open communication to enable members to become more involved, to provide input in all decisions and feedback on all actions of the organization taken on behalf of the members.

The RTO is well informed of the issues and opportunities for seniors in Nova Scotia through contact with members and is positioned to initiate responses, alone or in partnership with regional, provincial and national organizations, that engender a healthy, active and engaged life in retirement.
