As part of our commitment to members, we publish volunteer opportunities FREE. Provincial volunteer organizations are welcome to apply to post volunteer opportunities they feel would be of interest to all RTO members, on our website. All are subject to our review and approval. We reserve the right to reject or remove any at our sole discretion, for any reason. We also reserve the right to request modifications. However, opportunities of a regional nature will be sent to an RTO Member at Large who will forward them to the Branch President(s) in that region.
