

NSTU Group Insurance Plan Insurance Profile Members Over Age 65

In 2015 the NSTU Insurance Trustees discontinued providing the booklet on NSTU Retired Teachers Group Insurance Plan and placed all documentation on the website. This was due to the increased costs of producing the booklet and the fact that benefits were changing from time to time. Members wishing hard copies of the plan are requested to call Johnson at 902-453-9543 or 1-800-453-9543.

Here is a "Reader's Digest" document listing the various plans available to members over age 65 and for more details please go on-line to insurance@nstu.ca and click under Retired Members and then click under Retired Members can view the full NSTU Insurance Profile (PDF). For more information please go to the pages noted.
